

Resource Walk

From the list that you made on your walk, pick out 10 of them and write them below. Then, using the list of benefits at the bottom of the page, write as many of the numbers next to each resource as you think that resource helps to benefit.

- | | |
|----------------------|------------------|
| 1. (Resource) _____ | (Benefits) _____ |
| 2. (Resource) _____ | (Benefits) _____ |
| 3. (Resource) _____ | (Benefits) _____ |
| 4. (Resource) _____ | (Benefits) _____ |
| 5. (Resource) _____ | (Benefits) _____ |
| 6. (Resource) _____ | (Benefits) _____ |
| 7. (Resource) _____ | (Benefits) _____ |
| 8. (Resource) _____ | (Benefits) _____ |
| 9. (Resource) _____ | (Benefits) _____ |
| 10. (Resource) _____ | (Benefits) _____ |

What can these resources benefit?

- | | |
|-----------------------|-----------------------|
| 1. People | 5. Environment |
| 2. Animals | 6. Education |
| 3. Agriculture | 7. Economics |
| 4. Health | |
