

Permaculture Nutrition Scavenger Hunt

We have been talking about the importance of
VARIETY and **DIVERSITY**.

This scavenger hunt is a way to get us thinking about all of the things that
nature gives to us.

As a team, try to collect as many of the following items as possible.
The team who finds the most items in the time given is the winner. Good luck!

- 5 different edible seeds
- 5 different edible wild fruits
- 5 different edible tree leaves
- 5 different edible plant leaves
- 5 different colored rocks
- 5 different seed pods
- 5 different flowers
- 10 different tree seeds
- 10 different medicines
- 1 insect

** Edible means food for human
